LOCAL NEWS

CAN'T BE PERSUADED. - Quite a large num ber of the male colored population of our city assembled at the Wolfe street colored school house this morning, to listen to addresses delivered by Dr. Vogel and Co'. Lee, containing inducements for them to emigrate, with their families, to Texas, where they all would find comfortable homes and be employed at fair wages, by a Mr. Green, who has large cotton plantations in that State. If, however, any of the audience were induced by the addresses to contemplate making their future homes in the Southwest their determination was suddenly changed by a speech from a colored man, an old resident of this city, named W. H. Nailor, whose experience compelled him to advise all of his color to remain in the State in which they had been born and raised, and where they were acquainted with the people among whom they lived; and not to be persuaded to go on wild goose expeditions by people from the North, about whose disinterested and philanthropic intentions he had his own opinions. Remarks in opposition to the proposed emigration were also made by Hannibal King, Wm. Davis, Geo. Windsor, and Thomas Harper, all colored. ----

"BACHELORS."-In the House of Delegates, on Thursday, Mr. Taylor offered a resolution proposing to tax "confirmed bachelors" for the support of widows and orphans left dependent by the war. On Saturday Mr. Turner moved that the resolution be referred to a committee to determine the exact age at which the terms "confirmed bachelors," should attach themselves. Mr. Turner's proposition will of course stop further action on the subject, and, as we thick properly, for the class of unfortunates to be punished by Mr. Taylor's resolution suffer e ough, in all conscience, without being subjected to the additional imposition of a tax. +-

LIBERAL DONATION. -Marley Encampment No 6 L.O. O. F., at a meeting last night, appropriated the sum of \$25 towards the purchase of another hundred cords of wood for distribution among the poor of this city. This, in addition to that already in the hands of the Mayor, makes about half of the required amount, and we sincerely trust the remainder may soon be contributed.

THE LADIES who have taken in hand the fair for the benefit of the Friendship Fire Company, held a meeting last night, and are very much encouraged by the success which they are meeting with. As they never fail, the company may rest assured that the fair will be held, and that it will be one which will reflect credit upon all interested.

DONATIONS TO THE SOUP HOUSE. - This morning, Col. Lee, sent another donation of three hundred pounds of beef to the Soup House; and Mr. Lewis McKenzie, a fine lot of Doors, Blinds, &c., furnished to order. Roofing

THE RIVER. - As the continued suspension of navigation on the Potomac is leading to a JAS. RECTOR SMOCT. searcity of fuel and other articles, and a rise in prices, it has been suggested that the Board of Trade wait upon the Secretary of the Navy to see if some of the large and formidable ironplated vessels at the Navy Yard here cannot be used to open the channel. There are vessels at the yard, now, it is stated, which could easily force a passage to Matthias' Point, sixty miles below here, which is as far as the ice blockade extends. It is for the interest of the Government as well as of the people here that. the navigation of the Potomac should not be interrupted for any considerable time, and we trust that measures will be taken to open the harbor at the earliest possible moment. - Wash.

WASHINGTON ITEMS. - Several measures were introduced, yesterday, into the House relating to the District of Columbia-one, creating the office of surrogate; another, conterring the appointment of the marshalship of the District on the Supreme Court of the District; and a third, looking to the establishment of a penal code.

At the regular meeting of the City Councils last night, an appropriation was made to pay the quota of the school fund required by Congress to be given in support of colored schools in the District. This sum is nine thousand

On Friday last the sum of \$1,030 in compound interest notes was stolen from Mr. J. Spencer, of Georgetown, and suspicion resting on one Ophelia Armstead, who had been em-ployed as a servant at his house, she was arrested and the money recovered. From the number of arrests recently made

by the police of parties charged with offering for sale the meat of animals that had died of disease, we should infer that the practice was becoming altogether too common for the public good. Senator Brown introduced a bill into the

Senate yesterday to establish and maintain a public park in the District of Columbia. A delegation of twenty-five Indian chiefs and

warriors of the Sioux band, has arrived here, and are at the barracks, corner of Nineteenth street and New York avenue. POLICE REPORT-MAYOR'S OFFICE. -- The

whole time of the Mayor, this morning was occupied in the investigation of the disorderly conduct which prevailed at the ball held at the Third Ward Restaurant last night. Numerous witnesses were examined, and the appropriate fines imposed and exacted.

MAGISTRATES' OFFICE.-W. T. Penn, for an assault on a negro man, named Edmund Hoomes, was discharged, as it was proved in evidence that the negro was in fault.
